EAST END MARKET | 3201 CORRINE DRIVE, ORLANDO

This event provides a unique opportunity for young professionals in commercial real estate and community development to interact and learn from the most respected leaders in Central Florida. The program consists of a series of one-on-one, roundtable discussions with Central Florida's most influential Leaders. Obtain valuable advice and learn about the field of expertise of each Visionary and how their vision is formed and influenced by the Millennial Factor. Fields represented include Urban Planning and Development, Finance, Brokerage Sports and Entertainment, Communications, Law, Architecture, Design, City Management and Government.
